Dear **Roffy**,

On behalf of Youth Employment Services YES, we would like to thank you for your recent donation. Your commitment to help disadvantaged youth secure employment is sincerely appreciated.

Each year, YES continues to advance its goal of changing lives ... forever. Through all our programs, we have seen many lives changed for the better and on a daily basis we witness the creation of a brighter future for so many young people. Contributions such as yours help make this happen.

Since our inception YES has assisted over 70,000 clients. This past year alone YES has helped over 7,600 youth. We are pleased to report that 81% of our clients found work, returned to school, or signed up for additional training programs.

We continue to make a difference in securing employment for our most vulnerable and disadvantaged youth. These young people face incredible barriers, which your support helps them overcome.

Thanks again for your generosity.

Sincerely,

John-Frederick H. Cameron
